

IncrediblEurope is the first bottom-up value-changer in and for Europe. It focuses on creative, innovative & entrepreneurial changemakers and the future they will influence.

"Think Europe 2049 - Act now!"

# IncrediblEurope Ambassador

in each European country who is the "bridge" between the IE network and her/his country by officially representing her/his country in the IE network and the other way round

#### What is the role of an IE Ambassador?

- Promote IncrediblEurope in your country within creative and incrediblE individuals, entrepreneurs, companies, organizations, etc.
- Spokesperson for IE in your country = be the contact for the national/regional media (press, radio, television) and organize interviews with incredible people
- Look for network partners in your own country
- Be responsible for the membership development
- Develop local activities (organizing meetings, get-togethers, info sessions)
- Share with us incredible news from your country (good or bad): incredible people, events, organizations, etc.
- Communicate to your own country about what is going on within the IE network
- Engage at least 5 new members (individuals, companies, organizations, associations) for the IE network quarterly

#### Why should one become an IE Ambassador?

- You will have the incredible opportunity to be part of the international IE network
- You will get promoted through the IE network (IE website, monthly newsletter,...)
- You will be eligible to be part of the IE management team
- You will be eligible for personal attendance at the IE Summit for free

## Who can become an IE Ambassador?

- IE network members with a creative and entrepreneurial spirit calling for action
- Passionate Europeans with at least 7 years of working experience
- Individuals with a track record OR
- Application (resume and personal statement): Why do you want to become and why should you be the IE Ambassador in your country? OR
- Interview with the IE management team

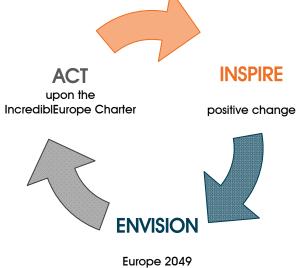

### What is IncrediblEurope?

**IncrediblEurope** is the first bottom-up value-changer in and for Europe. It focuses on creative, innovative & entrepreneurial changemakers and the future they will influence. "Think 2049 - Act now!" - it's a movement that empowers people in Europe.

The yearly highlight of IncrediblEurope - the IncrediblEurope Summit in Vienna - has been supported by world-renowned guest speakers like design legend Luigi Colani, creative mastermind Edward de Bono, WEF Young Global Leader Cameron Sinclair, violin virtuoso Miha Pogacnik, US star designer Mirko Ilic, and many more...

# What are the goals of IncrediblEurope?

Bring together changemakers from all fields of work to learn and profit from the variety of approaches:

# Whom does IncrediblEurope want to reach?

- 25 million European IncrediblEs (3,5% "innovators" out of 700 million people)
- changemakers: action and future oriented, engaged individuals
- Xindustries: from all fields of human activities
- Xcountries: international, core: European countries (beyond EU)
- Xcultures: European diversity
